Dear Mr. Dwyer:

Thank you for your correspondence, received by the Commission on July 3, 2013, regarding the RCMP's handling of complaints involving Nicole (Ryan) Doucet.

I acknowledge your request that the Commission investigate a number of aspects of the above noted issue. As you may be aware, on July 10, 2013, the Commission issued its final report in respect of its public interest investigation relating to this matter. That report, which is attached for your reference, both outlines the Commission's mandate in such areas, and makes a number of findings which address the points you have raised.

I trust this information is helpful. Should you have any further questions, please do not hesitate to contact the Commission.

Yours sincerely,
